

# Team Steps

A **one day** fast paced program to help create a High Performing Team

Who are we  
as a team?

A high level exploration into current reality: Who we are, where we've come from, where we're going and how we're going to get their together.

Where are we  
going?

A deep dive into the future, creating your team's strategy, identifying team goals and laying the foundations for measurement... how will we know when we've achieved it?

How are we going to  
get there together?

So if that's where we're going how do we need to behave with each other?  
Creating a map of behaviours that the team takes on board.

Why?

Creating a Team Vision and Purpose statement that each team member connects to, feels inspired by and uses as a benchmark for future fitness

**From constraint to possibility ...harnessing the individuals in the team to work together towards great outcomes.**
